Instructions

Pictures of your product → Upload to the folder called “Product Pictures”:

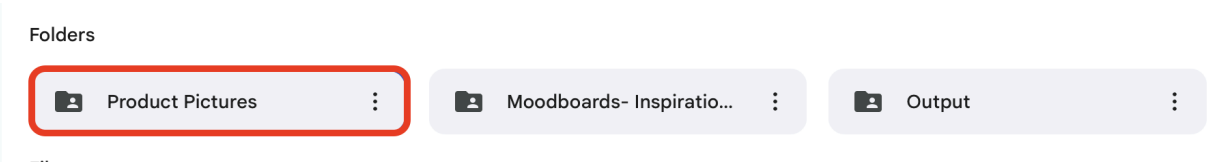

Image Submission Requirements:

- Please upload between **10–15 high-quality images** of a **single product**. If your product comes in a variety of colours and patterns, please add 10-15 images of a single colourway or pattern.
- Accepted formats are **PNG or JPG** and each image should have a minimum resolution of **512×512**.

Note: While we generally work with 5–10 images, having extra options ensures we can select the best shots.

General Guidelines

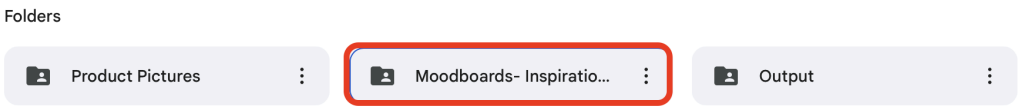

- High quality pictures would lead to high quality output.
- Please make sure the background is contrasting and plain.
- Make sure the lighting is good.
- Give us close up pictures of any details and minute elements.

Example Images:

Moodboards - Reference Inspiration:

- Please give us 1-5 reference pictures for the feel and ethos you want us to create. Any existing photoshoots of yours or any image from the internet would work.
- This could include any picture you would like us to recreate.
- Upload this into the Moodboard folder.

Description (Optional) :
Please give us a description below for each of the images you would like.
It does not need to be as detailed as the example below. Just to give us a direction of what you are looking for. You can mention the colours, background, lighting and any props if you'd like.

You can type in the picture description in the following form:

Example Descriptions:
#1: A plush cream bouclé armchair with a rounded shape, placed in a stylish interior. The background has warm wooden flooring, elegant white doors, and soft curtains filtering natural light. A vintage rug adds warmth to the setting.

#2: A chic, cream-coloured bouclé armchair with a gold-finished swivel base. The chair is set against a modern backdrop with deep red accent walls and a bright floor, creating a bold yet sophisticated contrast.

#3: A modern, round lounge chair with soft cream-coloured bouclé fabric and a wooden swivel base. The chair has a curved, cosy design and sits against a plain white background, giving it a clean and minimalist look.
